

Richmond Christian School – Adidas Jacket Orders

It is the desire of Richmond Christian Secondary Campus to provide the RCS community with the opportunity to purchase jackets to show your EAGLE PRIDE. These jackets are currently available for order. This is a great opportunity for current and future athletes to have additional RCS gear to supplement their warm-up tops. Additionally, we hope that anyone in the RCS community who is looking to purchase an athletic jacket will purchase one through the school. We keep a limited stock on hand throughout the year and order more jackets at the start of each athletics season.

The jackets are Adidas Men’s and Women’s Condivo 12 or 14 Training jacket. They will have the RCS athletics logo embroidered on the left chest. Individuals will also have the option of having their name embroidered on the back, centered just below the collar.
