

Parent Volunteers Needed

Dear Parents,

We are very excited to be having an all-school retreat at Camp Stillwood again this year. The camp dates are: **Wednesday, September 6th – Friday, September 8th**. In order to ensure a successful camp experience for our students, we need parent volunteers. We need parents who will commit to pray earnestly for us while we are away. We need prayer for both safety and openness for the students as they learn and apply the Word of God. We are still in the process of finalizing our camp theme but we are confident that the students will be challenged and encouraged to dig deeper in their faith.

We also have a need for some parents to accompany us to camp. As more of our student population is male, we have a greater need for dads or adult male chaperones to stay in cabins with the boys. All parents will be expected to assist in areas of need at camp and assist and/or participate in camp activities. This includes Dining Hall supervision, activity group chaperoning, and leading of nightly cabin devotions with the students. A more exhaustive list of activities is included below.

We know we have an amazing parent community and anticipate a landslide of interest. We can accommodate **up to 30** parents and preference will be given to parents who are able to help in a number of areas, as well as parents who are the same gender as their child.

If you are interested in volunteering for camp this year, please return the bottom portion of the page to our Middle School Secretary, Mrs. Krampitz by Friday, June 16th. We will contact you if your presence is requested at camp. All chaperones will need to provide the school with a **criminal record check prior to attending camp**. Once you have been contacted, please call the office for an online link to submit a criminal records check. You must also be able to **attend a brief mandatory Parent Volunteer meeting** at the “Back to School BBQ” Night on Wednesday, August 30th in the library. Thank you for your continued support!
