ADOPTED: DECEMBER 10, 201 AMENDED: FEBRUARY 28, 2022	REVIEW: 2024-2025

REVIEW EVERY 3 YEARS

PURPOSE:

Tuition assistance is made available under this policy to assist students entering (or currently enrolled at) RCS whose family is unable to fulfill their tuition obligation for the next school year due to temporary hardship for up to a total of 5 years.

The Tuition Assistance Committee is guided by the Tuition Assistance Policy when making decisions about tuition assistance requests.

GUIDELINES

1. The funds will be dispersed based on the guiding principles as demonstrated by Christ’s compassion for those in need.

APPLICATION ELLIGIBILTY

2. Tuition assistance is available for students enrolled in Kindergarten through Grade 12. Visa students are not eligible for tuition assistance.
3. New families may apply for Tuition Assistance during the interview process prior to acceptance into RCS. This application will not impact the enrollment process but is essential for ensuring that the community can adequately meet the needs of the student(s) should they be accepted.
4. Tuition Assistance may be withdrawn upon written notice contingent on good standing of the student both in and out of school and cooperative attitude by the family.
5. If the student receiving tuition assistance withdraws or is expelled from RCS during the year, all unused portions of the tuition assistance will be retained and/or returned to RCS.
6. Tuition assistance will only continue if tuition payments are up-to-date. Tuition assistance application for the following year will only be accepted if the current year’s tuition is up-to-date.
